ISDA 2015 UNIVERSE RESOLUTION STAY PROTOCOL

published on 4 November 2015
by the International Swaps and Derivatives Association, Inc.

The International Swaps and Derivatives Association, Inc. (ISDA) has published this ISDA 2015 Universal Resolution Stay Protocol (this Protocol) to enable parties to Protocol Covered Agreements (as defined below) to amend the terms of each such Protocol Covered Agreement to contractually recognize the cross-border application of special resolution regimes applicable to certain financial companies and support the resolution of certain financial companies under the United States Bankruptcy Code.

Accordingly, a party that has entered into a Protocol Covered Agreement may adhere to this Protocol and be bound by its terms by completing and delivering a letter substantially in the form of Exhibit 1 to this Protocol (an Initial Adherence Letter) to ISDA, as agent, as described below.

1. Adherence to and Effectiveness of the Protocol

   (a) By adhering to this Protocol in the manner set forth in this paragraph 1, a party (an Adhering Party) that wishes to amend the terms of a Protocol Covered Agreement, in each case on the terms and subject to the conditions set forth in this Protocol and the relevant Initial Adherence Letter, agrees that (i) the terms of each Covered Agreement, if any, between it and each other Adhering Party will be amended and (ii) the terms of each Covered Credit Enhancement, if any, between it and each other Adhering Party, by it in favor of each other Adhering Party or by each other Adhering Party in favor of it will be amended, in each case with effect from the Implementation Date (as defined below) in accordance with the terms of the Attachment hereto.

   (b) Adherence to this Protocol will be evidenced by the execution and online delivery, in accordance with this paragraph, to ISDA, as agent, of an Initial Adherence Letter (in accordance with subparagraphs 1(b)(i) through 1(b)(iii) below). ISDA shall have the right, in its sole and absolute discretion, upon thirty calendar days’ notice on the “ISDA 2015 Universal Resolution Stay Protocol” section of its website at www.isda.org (or by other suitable means), to designate a closing date of this Protocol (such closing date, the Cut-off Date). After the Cut-off Date, ISDA will not accept any further Initial Adherence Letters or Annex Adherence Letters to this Protocol.

      (i) Each Adhering Party will access the Protocol Management section of the ISDA website at www.isda.org to enter information online that is required to generate its form of Initial Adherence Letter. Either by directly downloading the populated Initial Adherence Letter from the Protocol Management system or upon receipt via e-mail of the populated Initial Adherence Letter, each Adhering Party will print, sign and upload the signed Initial Adherence Letter as a PDF (portable document format) attachment into the Protocol Management system. Once the signed Initial Adherence Letter has been approved and accepted by ISDA, the Adhering Party will receive an e-mail confirmation of the Adhering Party’s adherence to the Protocol.

      (ii) A conformed copy of each Initial Adherence Letter containing, in place of each signature, the printed or typewritten name of each signatory will be published by ISDA so that it may be viewed by all Adhering Parties. Each Adhering Party agrees that, for evidentiary purposes, a
conformed copy of an Initial Adherence Letter certified by the General Counsel (or other appropriate officer) of ISDA will be deemed to be an original.

(iii) Each Adhering Party agrees that the determination of the date and time of acceptance of any Initial Adherence Letter will be determined by ISDA in its absolute discretion.

(c) As between any two Adhering Parties, the agreement to make the amendments contemplated by this Protocol, on the terms and conditions set forth in this Protocol, will be effective on the date of acceptance by ISDA, as agent, of an Initial Adherence Letter (in accordance with paragraph 1(b) above) from the later of such two Adhering Parties to adhere (such date with respect to such Adhering Parties, the Implementation Date). Acceptance by ISDA of a subsequent or revised Initial Adherence Letter or Annex Adherence Letter from either such Adhering Party will not have the effect of changing such Implementation Date.

(d) This Protocol is intended for use without negotiation, but without prejudice to any amendment, modification or waiver in respect of a Protocol Covered Agreement that the parties may otherwise effect in accordance with the terms of that Protocol Covered Agreement.

(i) In adhering to this Protocol, an Adhering Party may not specify additional provisions, conditions or limitations in its Initial Adherence Letter or Annex Adherence Letter.

(ii) Any purported adherence that ISDA, as agent, determines in good faith is not in compliance with this Protocol will be void and ISDA will inform the relevant party of such fact as soon as reasonably possible after making such determination.

(e) Each Adhering Party acknowledges and agrees that adherence to this Protocol is irrevocable, except that an Adhering Party may deliver to ISDA, as agent, a notice substantially in the form of Exhibit 2 to this Protocol that is effective (determined pursuant to paragraph 3(f) below) on any Protocol Business Day during the Annual Revocation Period (a Revocation Notice) to designate the next Annual Revocation Date as the last date on which (i) any counterparty may adhere to this Protocol in respect of any Covered Agreement between the counterparty and such Adhering Party or (ii) any provider of credit support to, or recipient of credit support from, such Adhering Party pursuant to any Credit Enhancement may adhere to this Protocol with respect to such Credit Enhancement.

(i) Upon the effective designation of the next Annual Revocation Date by an Adhering Party, this Protocol will not amend any (i) Covered Agreement between that Adhering Party and an Adhering Party which adheres to this Protocol after that Annual Revocation Date occurs or (ii) Credit Enhancement by that Adhering Party in favor of a party which adheres to this Protocol after that Annual Revocation Date occurs, or by such a party in favor of that Adhering Party, and such Covered Agreement or Credit Enhancement will not be a Protocol Covered Agreement. The foregoing is without prejudice to any amendment effected pursuant to this Protocol to any Protocol Covered Agreement between two Adhering Parties (or by one Adhering Party in favor of another Adhering Party) that each adhered to this Protocol on or before the day on which that Annual Revocation Date occurs or is deemed to occur, regardless of the date on which such Protocol Covered Agreement is entered into, and any such amendment shall be effective notwithstanding the occurrence or deemed occurrence of such Annual Revocation Date.

(ii) Each Revocation Notice must be delivered by the means specified in paragraph 3(f) of this Protocol below.
(iii) Each Adhering Party agrees that, for evidentiary purposes, a conformed copy of a Revocation Notice certified by the General Counsel or an appropriate officer of ISDA will be deemed to be an original.

(iv) Any purported revocation that ISDA, as agent, determines in good faith is not in compliance with this paragraph 1(e) will be void.

(f) From time to time, ISDA may, in its sole and absolute discretion, publish on the “ISDA 2015 Universal Resolution Stay Protocol” section of its website at www.isda.org (or by other suitable means), additional Country Annexes or the Other Agreements Annex to this Protocol, to which Adhering Parties may adhere. Adherence to any additional Country Annex will be evidenced by the execution and online delivery of a letter substantially in the form of Exhibit 3 to this Protocol (a Country Annex Adherence Letter), which will result in the Adhering Party adhering to all Country Annexes published on or before the date of the Adhering Party’s Country Annex Adherence Letter, and adherence to the Other Agreements Annex will be evidenced by the execution and online delivery of a letter substantially in the form of Exhibit 4 (an Other Agreements Annex Adherence Letter, and, each Country Annex Adherence Letter and the Other Agreements Annex Adherence Letter, an Annex Adherence Letter), in each case to ISDA, as agent (in accordance with subparagraphs 1(f)(i) to 1(f)(iii) below), and as a result each such Country Annex or the Other Agreements Annex, as applicable, will supplement and form a part of this Protocol as provided in subparagraph 1(f)(iv) below. In the event of any inconsistency between the provisions of the Other Agreements Annex and the other provisions of the Attachment, the Other Agreements Annex will prevail, and in the event of any inconsistency between the provisions of a Country Annex and the Other Agreements Annex or the other provisions of the Attachment, the Country Annex will prevail.

(i) Each Adhering Party will access the Protocol Management section of the ISDA website at www.isda.org to enter information online that is required to generate its form of the applicable Annex Adherence Letter. Either by directly downloading the populated Annex Adherence Letter from the Protocol Management system or upon receipt via e-mail of the populated Annex Adherence Letter, each Adhering Party will print, sign and upload the signed Annex Adherence Letter as a PDF (portable document format) attachment into the Protocol Management system. Once the signed Annex Adherence Letter has been approved and accepted by ISDA, the Adhering Party will receive an e-mail confirmation of the Adhering Party’s modification to the Protocol by the terms of each applicable Country Annex or the Other Agreements Annex.

(ii) A conformed copy of each Annex Adherence Letter containing, in place of each signature, the printed or typewritten name of each signatory will be published by ISDA so that it may be viewed by all Adhering Parties. Each Adhering Party agrees that, for evidentiary purposes, a conformed copy of an Annex Adherence Letter certified by the General Counsel (or other appropriate officer) of ISDA will be deemed to be an original.

(iii) Each Adhering Party agrees that the determination of the date and time of acceptance of any Annex Adherence Letter will be determined by ISDA in its absolute discretion.

(iv) As between any two Adhering Parties, the agreement to make the amendments contemplated by any Country Annex or the Other Agreements Annex, on the terms and conditions set forth therein, will be effective on the date of acceptance by ISDA, as agent, of an Annex Adherence Letter (in accordance with this paragraph) from the later of such two Adhering Parties to adhere (such date with respect to such Adhering Parties and such Annex, the Annex Implementation Date). Acceptance by ISDA of a subsequent or revised Annex Adherence
Letter from either such Adhering Party will not have the effect of changing such Annex Implementation Date.

2. **Representations and Undertakings**

(a) As of the date on which an Adhering Party adheres to this Protocol in accordance with paragraph 1 above and as of the date on which an Adhering Party adheres to a Country Annex or the Other Agreements Annex, such Adhering Party represents to each other Adhering Party with which it has entered into a Covered Agreement, or to which it has provided or from which it has received credit support pursuant to a Covered Credit Enhancement, each of the following matters:

(i) **Status.** It is, if relevant, duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing or, if it otherwise represents its status in or pursuant to the Protocol Covered Agreement, has such status.

(ii) **Powers.** It has the power to execute and deliver the Initial Adherence Letter or the Annex Adherence Letter, as applicable, and to perform its obligations under the Initial Adherence Letter or the Annex Adherence Letter, as applicable, and the Protocol Covered Agreement as amended by the Initial Adherence Letter or the Annex Adherence Letter, as applicable, and this Protocol (including the Attachment hereto), and has taken all necessary action to authorize such execution, delivery and performance.

(iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets.

(iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to the Initial Adherence Letter or the Annex Adherence Letter, as applicable, and the Protocol Covered Agreement, as amended by the Initial Adherence Letter or the Annex Adherence Letter, as applicable, and this Protocol (including the Attachment hereto), have been obtained and are in full force and effect and all conditions of any such consents have been complied with.

(v) **Obligations Binding.** Its obligations under the Initial Adherence Letter or the Annex Adherence Letter, as applicable, and the Protocol Covered Agreement, as amended by the Initial Adherence Letter or the Annex Adherence Letter, as applicable, and this Protocol (including the Attachment hereto), constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors’ rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(vi) **Credit Support.** Its adherence to this Protocol and any amendment contemplated by this Protocol (other than any amendments affecting when rights in respect of a Credit Enhancement or Third Party Credit Enhancement may be exercised) will not, in and of itself, adversely affect the enforceability, effectiveness or validity of any obligations owed, whether by it or by any third party, under any Credit Enhancement or Third Party Credit Enhancement in respect of its obligations relating to the Protocol Covered Agreement as amended by the Initial Adherence
Letter or the Annex Adherence Letter, as applicable, and this Protocol (including the Attachment hereto).

(b) Each Adhering Party agrees with each other Adhering Party with which it has entered into a Protocol Covered Agreement, or to which it has provided a Protocol Covered Agreement that is a Covered Credit Enhancement in respect of a Covered Agreement, that each of the foregoing representations will be deemed, in the case of a Protocol Covered Agreement that is an ISDA Master Agreement, to be a representation for purposes of Section 5(a)(iv) and in the case of any other Protocol Covered Agreement, to be a representation for purposes of any analogous provisions of each such Protocol Covered Agreement, that is made by each Adhering Party as of the later of (A) the date on which such Adhering Party adheres to this Protocol in accordance with paragraph 1 above and (B) the date of such Protocol Covered Agreement.

(c) **Undertakings in respect of Covered Agreements and Credit Enhancements with Third Party Credit Enhancements.** With respect to Covered Agreements and Credit Enhancements with Third Party Credit Enhancements that expressly require the consent, approval, agreement, authorization or other action of a Third Party to be obtained, each Adhering Party whose obligations under such arrangements are secured, guaranteed or otherwise supported by such Third Party undertakes to each other Adhering Party with which it has entered into such arrangements that it has obtained the consent (including by way of paragraph 2(d) below), approval, agreement, authorization or other action of such Third Party and that it will, upon demand, deliver evidence of such consent, approval, agreement, authorization or other action to such other Adhering Party.

(d) **Deemed Third Party Consent.** Each Adhering Party which is also a Third Party in relation to a Third Party Credit Enhancement is hereby deemed to have consented to the amendments imposed by this Protocol on the Covered Agreement and/or Credit Enhancement supported by such Third Party Credit Enhancement.

3. **Miscellaneous**

(a) **Entire Agreement; Restatement; Survival.**

(i) As between any two Adhering Parties that have previously adhered to the ISDA 2014 Resolution Stay Protocol dated 4 November 2014 (the **2014 Protocol**), the terms and provisions of the 2014 Protocol shall no longer be effective as of the later of 1 January 2016 and the Implementation Date with respect to such parties and any amendments to a Covered Agreement made therein shall be replaced in their entirety by the amendments in this Protocol as of such time.

(ii) This Protocol constitutes the entire agreement and understanding of the Adhering Parties with respect to its subject matter and supersedes all oral communication and prior writings (except as otherwise provided herein) with respect thereto. Each Adhering Party acknowledges that in adhering to this Protocol it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to elsewhere in this Protocol or in the Attachment) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Protocol will limit or exclude any liability of an Adhering Party for fraud.

(iii) Except for any amendment deemed to be made pursuant to this Protocol in respect of any Protocol Covered Agreement, all terms and conditions of each Protocol Covered Agreement will continue in full force and effect in accordance with its provisions as in effect immediately prior to
the date on which it first becomes subject to this Protocol. Except as explicitly stated in this
Protocol, nothing herein shall constitute a waiver or release of any rights of any Adhering Party
under any Protocol Covered Agreement to which such Adhering Party is a party or a provider or
recipient of credit support. This Protocol will, with respect to its subject matter, survive, and any
amendments deemed to be made pursuant to this Protocol will form a part of each Protocol
Covered Agreement that is a Covered Agreement between the Adhering Parties, notwithstanding
any statements in a Protocol Covered Agreement to the effect that such Protocol Covered
Agreement constitutes the entire agreement and understanding between the parties to such
Protocol Covered Agreement with respect to the subject of such Protocol Covered Agreement.

(b) Exclusion for Previously Amended Agreements. Notwithstanding anything in Section 1(a)
hereof, with respect to any agreement between Adhering Parties, if the parties to such agreement have:—

(i) entered into alternative written arrangements that document the substance of the issues
covered in the Attachment (excluding other ISDA protocols) with respect to such agreement; or

(ii) expressly stated in such agreement or otherwise agreed in writing that this Protocol shall
not apply;

then, in either case, such agreement shall not be a Protocol Covered Agreement.

(c) Amendments. An amendment, modification or waiver in respect of the matters contemplated by
this Protocol will only be effective in respect of a Protocol Covered Agreement if made in accordance
with the terms of the Protocol Covered Agreement and then only with effect between the parties to that
Protocol Covered Agreement (and will only be effective to amend or override the provisions set forth in
this Protocol, the Attachment, any Country Annex or the Other Agreements Annex to this Protocol if it
expressly refers in writing to this paragraph 3(b) of this Protocol).

(d) Headings. The headings used in this Protocol and any Adherence Letter are for convenience of
reference only and are not to affect the construction of or to be taken into consideration in interpreting this
Protocol or any Adherence Letter.

(e) Governing Law. This Protocol and each Adherence Letter will, as between two Adhering Parties
and in respect of each Protocol Covered Agreement between them or provided by one of them to the
other, be governed by and construed in accordance with the laws of England and Wales, without reference
to choice of law doctrine, provided that the amendments to each Protocol Covered Agreement shall be
governed by and construed in accordance with the law specified to govern that Protocol Covered
Agreement and otherwise in accordance with the applicable choice of law doctrine.

(f) Notices. Any Revocation Notice must be in writing and delivered as a locked PDF (portable
document format) attachment to an email to ISDA at isda@isda.org and will be deemed effectively
delivered on the date it is delivered unless on the date of that delivery ISDA’s London office is closed or
that communication is delivered after 5:00 p.m., London time, in which case that communication will be
deemed effectively delivered on the next day ISDA’s London office is open.

(g) Ability of an Agent to Adhere to the Protocol on Behalf of a Client.

(i) An Agent may adhere to this Protocol:

(A) on behalf of all Clients represented by such Agent (in which case such Agent
need not identify each Client in its Adherence Letter);
(B) on behalf of Clients represented by such Agent that are specifically named or identified in the Adherence Letter or an attachment thereto; or

(C) on behalf of all Clients represented by such Agent, except any Client that the Agent and an Adhering Party that has entered into, provided or received a Protocol Covered Agreement with, to or from such Client agree bilaterally will not be covered by this Protocol,

provided, in each case, that such adherence shall only be effective with respect to Protocol Covered Agreements entered into, provided to or received by such Agent on behalf of such Clients.

(ii) Where an Agent adheres to this Protocol on behalf of a Client by executing and delivering an Adherence Letter on behalf of such Client in accordance with paragraph 1 and this paragraph 3(g), references to the Adhering Party for purposes of this Protocol (including the Attachment hereto) and the Adherence Letter shall be interpreted to refer to such Client.

(h) **Clients Added to an Agent Protocol Covered Agreement after the Implementation Date.** In respect of any Client added to an Agent Protocol Covered Agreement between an Agent and an Adhering Party, or provided or received by the Agent to or from such Adhering Party, after the Implementation Date (a *New Client*), the Agent and such Adhering Party agree that the terms of such Agent Protocol Covered Agreement as between such Adhering Party and any New Client will be subject to the amendments effected by this Protocol, unless otherwise agreed between such Agent and such Adhering Party.

(i) **Adhering Party That is an Agent with Respect to a Covered Agreement.** An Adhering Party that executes a Covered Agreement (including an annex thereto) as agent with respect to that Covered Agreement, shall not for purposes of this Protocol be considered to be a party to or to have entered into such Covered Agreement.

(II) Notwithstanding any provision of a Covered Credit Enhancement entered into between the Related Entity in Resolution (that is an Adhering Party) or another Related Entity (that is an Adhering Party) of such Adhering Party to the
Covered Agreement and the Section 1(a)(ii) Stayed Party, or provided by the Related Entity in Resolution (that is an Adhering Party) or such other Related Entity (that is an Adhering Party) in respect of the Covered Agreement, or any other agreement, the Section 1(a)(ii) Stayed Party shall be entitled to exercise Default Rights in respect of the Covered Credit Enhancement only to the same extent that it would be entitled to do so under such Special Resolution Regime in respect of an Equivalent Credit Enhancement;

(C) Exercise of Default Rights by a Related Entity of a Section 1(a)(ii) Stayed Party in Respect of a Covered Credit Enhancement. Notwithstanding any provision of a Covered Credit Enhancement entered into between a Related Entity (that is an Adhering Party) of the Section 1(a)(ii) Stayed Party and the counterparty of the Section 1(a)(ii) Stayed Party under the Covered Agreement, or provided by the Related Entity (that is an Adhering Party) of the Section 1(a)(ii) Stayed Party to such counterparty in respect of the Covered Agreement, or any other agreement, the Related Entity of the Section 1(a)(ii) Stayed Party shall be entitled to exercise Default Rights in respect of the Covered Credit Enhancement only to the same extent it would be entitled to do so under such Special Resolution Regime in respect of an Equivalent Credit Enhancement; and

(D) Transfers of a Covered Credit Enhancement. A transfer, pursuant to such Special Resolution Regime, of a Covered Credit Enhancement (and any interest and obligation in or under, and any property securing, the Covered Credit Enhancement) entered into between the Related Entity in Resolution (that is an Adhering Party) and the Section 1(a)(ii) Stayed Party, or provided by the Related Entity in Resolution (that is an Adhering Party) in respect of the Covered Agreement, to a successor of the Related Entity in Resolution shall be effective to the same extent that:

(I) A transfer of an Equivalent Credit Enhancement (and any interest and obligation in or under, and any property securing, the Equivalent Credit Enhancement) would be effective pursuant to such Special Resolution Regime, notwithstanding any provision of the Covered Credit Enhancement, or any other agreement, purporting to prohibit, condition or void the transfer; and

(II) A transfer of an Equivalent Credit Enhancement (and any interest and obligation in or under, and any property securing, the Equivalent Credit Enhancement) supporting an Equivalent Master Agreement would be effective pursuant to such Special Resolution Regime, notwithstanding any provision of the Covered Agreement, or any other agreement, purporting to prohibit, condition or void the transfer.

(iii) Sections 1(a)(i) and (ii) shall apply to a Resolution under a Protocol-eligible Regime only if the exercise of authority under the Protocol-eligible Regime complies fully with each element of the Creditor Safeguards.

(iv) Sections 1(a)(i) and (ii) shall apply with respect to each Adhering Party or Related Entity of such Adhering Party subject to Resolution and each Special Resolution Regime under which each such Adhering Party or Related Entity is subject to Resolution.

(b) Events and Conditions Deemed Not Occurring. For so long as any Default Right is not exercisable under a Covered Agreement or a Covered Credit Enhancement as a consequence of the application of a Special Resolution Regime under Section 1(a), any event of default, termination event or
similar event, as defined therein, that gave rise to such Default Right shall be deemed not to be occurring, existing or continuing for purposes of determining under any other agreement whether a default, termination event or similar event has occurred or is continuing under such Covered Agreement or Covered Credit Enhancement, as applicable, but only to the extent that such Special Resolution Regime would render such default, termination event or similar event under such other agreement unenforceable were such Covered Agreement or Covered Credit Enhancement governed by the law of the jurisdiction of such Special Resolution Regime.

(c) **Maintenance of Perfection and Priority.** If (i) a Special Resolution Regime under which an Adhering Party or its Related Entity is, as applicable, a Party in Resolution or a Related Entity in Resolution, or other applicable law, would preserve by operation of law the interests of the Section 1 Stayed Party in any property serving as security for obligations under an Equivalent Master Agreement or Equivalent Credit Enhancement, including the attachment, enforceability, perfection or priority thereof, notwithstanding the transfer thereof pursuant to such Special Resolution Regime, and (ii) the Section 1 Stayed Party, as a party to or beneficiary of a Covered Agreement or Covered Credit Enhancement transferred pursuant to such Special Resolution Regime, does not benefit from such preservation by operation of law by virtue of such Special Resolution Regime applying to such Section 1 Stayed Party as a result of the Protocol, then if the relevant transferee does not promptly cause the equivalent preservation of such interests, the Section 1 Stayed Party shall be entitled to exercise any Default Rights it may have without regard to Section 1(a). This Section 1(c) shall be without prejudice to any contractual arrangement in respect of the preservation of the Section 1 Stayed Party’s interest in property serving as security for obligations under such a Covered Agreement or Covered Credit Enhancement.

2. **Limitation on Exercise of Default Rights upon U.S. Insolvency Proceedings**

(a) **Affiliate in U.S. Insolvency Proceedings (Not a Credit Enhancement Provider).** Notwithstanding any provision of a Covered Agreement between a Covered Party (the “Direct Party”) and another Adhering Party (the “Section 2 Stayed Party”) or a related Credit Enhancement, if an Affiliate of the Direct Party becomes subject to U.S. Insolvency Proceedings (such Affiliate, a “**Party in U.S. Proceedings**”), and such Party in U.S. Proceedings is not a Credit Enhancement Provider with respect to the Covered Agreement, the Section 2 Stayed Party shall, subject to Section 2(e), be entitled to exercise only Performance Default Rights or Unrelated Default Rights in respect of the Covered Agreement or such a related Credit Enhancement, but shall not be entitled to exercise any other Default Rights in respect of the Covered Agreement or such a related Credit Enhancement.

(b) **Credit Enhancement Provider in Chapter 11 Proceedings.** Notwithstanding any provision of a Covered Agreement between the Direct Party and the Section 2 Stayed Party or a related Credit Enhancement, if the Party in U.S. Proceedings is a Credit Enhancement Provider with respect to the Covered Agreement, and such Party in U.S. Proceedings is subject to Chapter 11 Proceedings (such Party in U.S. Proceedings, the “**Party in Chapter 11 Proceedings**”), the Section 2 Stayed Party shall, subject to Section 2(e), be entitled to exercise only Performance Default Rights or Unrelated Default Rights in respect of the Covered Agreement or such a related Credit Enhancement, but shall not be entitled to exercise any other Default Rights in respect of the Covered Agreement or such a related Credit Enhancement.

(i) **When Section 2(b) Default-Right Overrides Apply.** The limitations on the exercise of Default Rights in Section 2(b) are applicable:

(A) During the Stay Period; and
(B) Thereafter, only if the Party in Chapter 11 Proceedings files either a Transfer Motion or a DIP Motion before the expiration of the Stay Period, in which case only for so long as the conditions in Sections 2(b)(ii) or 2(b)(iii), as applicable, are satisfied.

(ii) **Transfer Conditions.** If the Party in Chapter 11 Proceedings files a Transfer Motion, with respect to a Transferee identified in such Transfer Motion, a Section 2 Stayed Party and the Covered Agreement between such Section 2 Stayed Party and the Direct Party:—

(A) During the Stay Period, such Transferee:—

(I) Is not subject to receivership, insolvency, liquidation, resolution or similar proceedings; and

(II) Satisfies all of its material payment and delivery obligations, if any, to each of its creditors;

(B) Upon the expiration of the Stay Period:—

(I) An order has been entered in respect of the Transfer Motion providing for all or substantially all of the assets of the Party in Chapter 11 Proceedings (or the net proceeds therefrom), excluding any assets reserved for the payment of costs and expenses of administration in the Chapter 11 Proceedings in respect of such Party in Chapter 11 Proceeding, to be transferred or sold, as soon as practically possible, to the Transferee identified therein; and

(II) The Transfer Stay Conditions have been satisfied; and

(C) Following the Stay Period:—

(I) The Direct Party is and continues to be duly registered with and licensed by the regulatory body or bodies with principal supervisory authority over its business relating to transactions under Eligible Agreements and similar agreements;

(II) If the Transferee is a party other than a Bankruptcy Bridge Company, such Transferee satisfies and continues to satisfy all financial covenants and other terms applicable to the Credit Enhancement Provider under the Covered Agreement and each Credit Enhancement in respect thereof; and

(III) With respect to each Credit Enhancement (and any interest and obligation in or under, and any property securing, such Credit Enhancement) provided by the Party in Chapter 11 Proceedings with respect to Covered Agreements between the Direct Party and the Section 2 Stayed Party and the Direct Party and any Affiliate of the Section 2 Stayed Party that are transferred to the Transferee during the Stay Period, the Transferee continues to satisfy all provisions and covenants in such Credit Enhancements regarding the attachment, enforceability, perfection or priority of any security interest in property securing the obligations pursuant to such Credit Enhancements.

(iii) **U.S. Parent DIP Conditions.** If the Party in Chapter 11 Proceedings files a DIP Motion:—
(A) The Party in Chapter 11 Proceedings is a U.S. Parent;

(B) Upon the expiration of the Stay Period, the DIP Stay Conditions are satisfied with respect to the Section 2 Stayed Party; and

(C) Following the Stay Period, the Direct Party is and continues to be duly registered with and licensed by the regulatory body or bodies with principal supervisory authority over its business relating to transactions under Eligible Agreements and similar agreements.

(c) Exercise of Default Rights Based on Payment Failure of U.S. Parent Credit Enhancement Provider to Other Section 2 Stayed Parties. With respect to a U.S. Parent that is a Party in Chapter 11 Proceedings and that has filed a DIP Motion, if a Section 2 Stayed Party’s ability to exercise Default Rights in respect of a Covered Agreement with a Direct Party would be stayed pursuant to Sections 2(b)(i) and 2(b)(iii), such Section 2 Stayed Party may nevertheless exercise such Default Rights if:—

(i) Such Direct Party fails to pay or deliver any Close-out Amount when due, in accordance with the terms of any Covered Agreement between such Direct Party and any other Section 2 Stayed Party; and

(ii) The Party in Chapter 11 Proceedings fails to satisfy its obligations, when due, in accordance with the terms of any Credit Enhancement in respect of such Covered Agreement.

(d) Credit Enhancement Provider in FDIA Proceedings. Notwithstanding any provision of a Covered Agreement between the Direct Party and the Section 2 Stayed Party or a related Credit Enhancement, if the Party in U.S. Proceedings is a Credit Enhancement Provider with respect to the Covered Agreement, and such Party in U.S. Proceedings is subject to FDIA Proceedings, the Section 2 Stayed Party shall, subject to Section 2(e), be entitled to exercise only Performance Default Rights or Unrelated Default Rights in respect of the Covered Agreement or such a related Credit Enhancement, but shall not be entitled to exercise any other Default Rights in respect of the Covered Agreement or such a related Credit Enhancement.

(i) When Section 2(d) Default-Right Overrides Apply. The limitations on the exercise of Default Rights in Section 2(d) are applicable:—

(A) During the FDIA Stay Period; and

(B) Thereafter, only if the Credit Enhancement (and any interest and obligation in or under, and any property securing, such Credit Enhancement) between the Credit Enhancement Provider and the Section 2 Stayed Party or provided by the Credit Enhancement Provider in respect of such Covered Agreement has been transferred by the FDIC in accordance with the FDIA QFC Transfer Provisions.

(ii) Suspension of Performance. During such FDIA Proceedings, the Section 2 Stayed Party may exercise any contractual rights to suspend performance with respect to its obligations under the Covered Agreement between such Section 2 Stayed Party and the Direct Party to the same extent it would be entitled to do so as if the Covered Agreement were a Qualified Financial Contract with the Credit Enhancement Provider and were treated in the same manner as the Credit Enhancement.
(e) **Override of Unexercised Default Rights.** If an Affiliate of a Direct Party becomes subject to U.S. Insolvency Proceedings, then for so long as a Section 2 Stayed Party may not exercise Default Rights in respect of a Covered Agreement with such Direct Party or related Credit Enhancement as a consequence of Sections 2(a), 2(b) or 2(d), the Section 2 Stayed Party may not exercise any Default Right in respect of such Covered Agreement or related Credit Enhancement, other than any Performance Default Right, that exists at or prior to the time of commencement of U.S. Insolvency Proceedings but (i), in the case of a Covered Agreement, that has not resulted, prior to the commencement of such U.S. Insolvency Proceedings, in the occurrence of or designation by a Section 2 Stayed Party of an early termination date (including an “Early Termination Date”, as defined in the Covered Agreement) with respect to such Covered Agreement, or (ii) in the case of a related Credit Enhancement, that has not been exercised prior to the commencement of such U.S. Insolvency Proceedings.

(f) **Override of Transfer Restrictions.** No provision of a Covered Agreement or Credit Enhancement shall prevent the transfer of such Credit Enhancement (and any interest and obligation in or under, and any property securing, such Credit Enhancement) to a Transferee pursuant to Section 2(b)(ii) or to a transferee in accordance with the FDIA QFC Transfer Provisions; provided that this Section 2(f) will not apply if a transfer of such Credit Enhancement would result in the Section 2 Stayed Party being the beneficiary of a Credit Enhancement in violation of any law applicable to the Section 2 Stayed Party (including without limitation, the violation of the laws of any country in which payment or delivery pursuant to such Credit Enhancement or compliance with the terms thereof is required).

(g) **Events and Conditions Deemed Not Occurring.** For so long as any Default Right is not exercisable under a Covered Agreement or Credit Enhancement as a consequence of Section 2(a), 2(b) or 2(d), as applicable, any event of default, termination event or similar event, as defined therein, that gave rise to such Default Right shall be deemed not to be occurring, existing or continuing for purposes of determining under any other agreement that is not a Covered Agreement whether a default, termination event or similar event has occurred or is continuing under such Covered Agreement or Credit Enhancement, as applicable.

(h) **Rights not Subject to Section 2.** This Section 2 is without prejudice to any Default Right in respect of a Covered Agreement or any other agreement with or in favor of a Section 2 Stayed Party not specifically addressed herein, including without limitation, Default Rights that have resulted in the occurrence or designation of an “Early Termination Date” (as defined in the Covered Agreement or other agreement) prior to an Affiliate of a Direct Party entering U.S. Insolvency Proceedings.

(i) **Burden of Proof.** For purposes of determining whether a Section 2 Stayed Party is entitled to exercise a Default Right pursuant to Sections 2(a), 2(b) or 2(d), the Section 2 Stayed Party bears the burden of establishing that such Default Right may be exercised.

(j) **Multiple Affiliates in U.S. Insolvency Proceedings.** If more than one Affiliate of a Direct Party is subject to U.S. Insolvency Proceedings, Section 2 shall apply with respect to each such Affiliate that is a Party in U.S. Proceedings.

(k) **Default Rights Against a Clearing Member.** Nothing in this Section 2 shall affect the exercise or application of Default Rights with respect to a Cleared Client Transaction under a Covered Agreement between a Section 2 Stayed Party and a Clearing Member (which, for the avoidance of doubt, may include automatic termination of Cleared Client Transactions) to the extent any such Default Right becomes exercisable or, as the case may be, applicable, as a result of, and substantially contemporaneously with, the exercise by the applicable clearing organization of any right it may have to terminate or transfer the related cleared transaction between the Clearing Member and the clearing organization.
3. **Proceedings under Section 1 and Section 2**

(a) *Direct Party Subject to Special Resolution Regime Proceedings.* If an Affiliate of a Direct Party becomes a Party in U.S. Proceedings subject to Section 2 and the Direct Party is or becomes a Party in Resolution subject to Section 1, then, notwithstanding anything to the contrary in Section 2, a Section 2 Stayed Party:—

(i) May only exercise a Performance Default Right in respect of a Covered Agreement or related Credit Enhancement to the extent it would be entitled to do so pursuant to Section 1; and

(ii) May not exercise any other Default Right in respect of such Covered Agreement with such Direct Party or related Credit Enhancement unless it would be entitled to do so under both Section 1 and Section 2.

(b) *Affiliate Subject to Special Resolution Regime Proceedings.* If an Affiliate of a Direct Party becomes a Party in U.S. Proceedings subject to Section 2 and another Affiliate of such Direct Party becomes a Party in Resolution subject to Section 1, a Section 2 Stayed Party may not exercise any Default Right in respect of a Covered Agreement with such Direct Party or related Credit Enhancement unless it would be entitled to do so under both Section 1 and Section 2.

4. **Effectiveness**

(i) With respect to Section 1, from the later of (i) January 1, 2016 and (ii) the Implementation Date;

(ii) With respect to Section 2, from the later of (i) the Regulatory Compliance Date and (ii) the Implementation Date; and

(iii) Otherwise, from the Implementation Date.

(b) **Single-party Election Provisions.**

(i) **Section 1 Opt-outs.**

(A) *SRR Regulatory Restrictions.* If an Adhering Party (“X”) is not subject to SRR Regulatory Restrictions with respect to an Identified Regime by January 1, 2018, or if X is not subject to SRR Regulatory Restrictions with respect to a Protocol-eligible Regime by the later of (A) January 1, 2018, and (B) 18 calendar months following the initial effective date of such Protocol-eligible Regime, then any other Adhering Party (“Y”)
shall be entitled, by written notice to X and X’s Primary Regulators, to elect that such Special Resolution Regime will not, as between X and Y, constitute a Special Resolution Regime with respect to X or its Related Entities. Such an election will remain effective until withdrawn by written notice from Y.

(B) Amendments to Identified Regimes. If an Adhering Party (“X”) determines in good faith that an amendment to an Identified Regime (other than an amendment specified in the Annex for such regime) subsequent to the First Adherence Date relating to the length of any applicable stay (or the imposition of a stay), the obligations of parties during the pendency of a stay, the treatment of netting or setoff arrangements or the priority of claims (other than any amendment relating to a bank that gives priority to the depositors of such bank over general unsecured creditors of such bank) materially and adversely affects the ability to exercise Default Rights in respect of Eligible Agreements or related Credit Enhancements, X shall be entitled, by written notice (an “Identified Regime Notice”) to another Adhering Party (“Y”) eligible for resolution under such Identified Regime, and Y’s Primary Regulators, to elect that such Identified Regime will not, as between them, constitute an Identified Regime with respect to Y or its Related Entities for those Eligible Agreements with respect to which X’s ability to exercise Default Rights has been materially and adversely affected. In the case of an Identified Regime Notice with respect to U.S. Special Resolution Regime – FDIA, Section 2(d) will be inapplicable as between X and Y. Any such election will remain effective until withdrawn by written notice from X.

(C) Inclusion of or Amendments to Protocol-eligible Regimes. If an Adhering Party (“X”) determines in good faith that a newly-enacted or amended resolution regime in a Protocol-eligible Jurisdiction does not comply with the definition of Protocol-eligible Regime, or that an amendment to a Protocol-eligible Regime relating to the length of any applicable stay (or the imposition of a stay), the obligations of parties during the pendency of a stay, the treatment of netting or setoff arrangements or the priority of claims (other than any amendment relating to a bank that gives priority to the depositors of such bank over general unsecured creditors of such bank) materially and adversely affects the ability to exercise Default Rights in respect of Eligible Agreements or related Credit Enhancements, then X shall be entitled, by written notice (a “Protocol-eligible Regime Notice”) to another Adhering Party (“Y”) eligible for resolution under such resolution regime or Protocol-eligible Regime, as applicable, and Y’s Primary Regulators, to elect that such resolution regime or Protocol-eligible Regime, as applicable, will not, as between them, constitute a Protocol-eligible Regime with respect to Y or its Related Entities for those Eligible Agreements with respect to which X’s ability to exercise Default Rights has been materially and adversely affected. Such an election will remain effective until withdrawn by written notice from X. An Adhering Party’s failure to deliver a Protocol-eligible Regime Notice in respect of a regime enacted by a Protocol-eligible Jurisdiction shall have no bearing on whether such regime satisfies the definition of Protocol-eligible Regime.

(ii) Section 2 Opt-outs. An Adhering Party (“X”) that is not a Covered Party shall be entitled, by delivering a written notice (a “Section 2 Opt-out Notice”), to make one or more of the following elections:—

Y, provided that, if either X or Y subsequently becomes a Covered Party, such election shall be null and void and the Adhering Party that becomes a Covered Party shall promptly deliver a notice to the other Adhering Party that its prior election is no longer effective.

(B) If there are no transactions under any of the Covered Agreements between X and any other Adhering Party that is a Covered Party, then X shall be entitled to elect that the provisions of Section 2 shall apply to no such Covered Agreement or related Credit Enhancements by delivering a Section 2 Opt-out Notice to each such Covered Party, with a copy to the Primary Regulator of each such Covered Party, which Section 2 Opt-out Notice shall specify that X does not intend to enter into any transactions with any Covered Party, provided that, if X subsequently enters into any transaction under any such Covered Agreement with a Covered Party, such election shall be null and void with respect to all Covered Agreements and Credit Enhancements and X shall promptly deliver a notice to that Covered Party that its prior election is no longer effective.

(C) If none of X’s Affiliates is a Covered Party, X shall be entitled to elect that the provisions of Section 2 shall apply to none of the Covered Agreements or any related Credit Enhancements to which it is a party or of which it is a recipient by delivering a Section 2 Opt-out Notice to each Covered Party with which X has a Covered Agreement or related Credit Enhancement, with a copy to the Primary Regulator of each such Covered Party, provided that, if either X or any of X’s Affiliates subsequently becomes a Covered Party, such election shall be null and void with respect to all Covered Agreements and Credit Enhancements and X shall promptly deliver a notice to each other Covered Party with which it has a Covered Agreement or from which it has received a related Credit Enhancement that its prior election is no longer effective.
