See Amended and Restated Addendum I and Addendum II for additional final rules addressed thereby.

2 On December 13, 2012, ISDA published the Amended and Restated Addendum I and on February 22, 2013, ISDA published Addendum II. The addenda are intended to provide information needed by Swap Dealers to satisfy additional regulatory provisions under the Commodity Exchange Act and CFTC Regulations. As further described in each addendum, Amended and Restated Addendum I and Addendum II are intended to be used to supplement and/or modify information and representations provided in respect of a PCA Principal in this Questionnaire. (If a party has already submitted a completed Questionnaire, it may complete and deliver Amended and Restated Addendum I and Addendum II to update information and representations previously provided, as necessary.) All PCA Principals and PCA Agents should review and complete relevant portions of Amended and Restated Addendum I and Addendum II. For the avoidance of doubt, the delivery of, or the failure to deliver, one or both of Addendum I or Addendum II will not affect the status of (i) any two PCA Principals as Matched PCA Parties, or (ii) such parties’ (a) Questionnaires as Matched Questionnaires or (b) Protocol Covered Agreements as Matched PCAs. (For convenience, Amended and Restated Addendum I and Addendum II are attached at the end of this Questionnaire)
THE ANNOTATIONS AND INSTRUCTIONS IN THIS DOCUMENT DO NOT PURPORT TO BE AND SHOULD NOT BE CONSIDERED A GUIDE TO OR AN EXPLANATION OF ALL RELEVANT ISSUES IN CONNECTION WITH YOUR CONSIDERATION OF THE ISDA AUGUST 2012 DF PROTOCOL OR THE RELATED DOCUMENTS. PARTIES SHOULD CONSULT WITH THEIR LEGAL ADVISERS AND ANY OTHER ADVISERS THEY DEEM APPROPRIATE AS PART OF THEIR CONSIDERATION OF THE PROTOCOL PRIOR TO ADHERING TO THE PROTOCOL. ISDA ASSUMES NO RESPONSIBILITY FOR ANY USE TO WHICH ANY OF ITS DOCUMENTATION OR OTHER DOCUMENTATION MAY BE PUT.
**Instructions:** A PCA Principal or PCA Agent that has adhered to the Protocol Agreement in the manner specified therein may complete and execute this Questionnaire and deliver it by a means specified in the Protocol Agreement in order to supplement existing Protocol Covered Agreements and/or enter into new Protocol Covered Agreements in the form of the DF Terms Agreement.

This Questionnaire may be executed and delivered by a PCA Principal on its own behalf or by a PCA Agent on behalf of one or more PCA Principals. By delivering this Questionnaire to another PCA Principal or PCA Agent in a manner specified in the Protocol Agreement, the deliverer may agree to enter into and/or supplement Protocol Covered Agreements with such other PCA Principal or PCA Agent. Where an existing Protocol Covered Agreement was originally executed by a PCA Agent on behalf of one or more PCA Principals, only the relevant PCA Agent (and not a PCA Principal) may use this Questionnaire and the Protocol Agreement to supplement such Protocol Covered Agreement.

In the case of a PCA Principal executing and delivering this Questionnaire on its own behalf, (i) such party must identify itself as the PCA Principal in column 1 of the PCA Principal Answer Sheet, and (ii) this Questionnaire will only be effective to supplement existing Protocol Covered Agreements executed by such party on its own behalf and/or to enter into DF Terms Agreements on its own behalf. In the case of a PCA Agent executing and delivering this Questionnaire on behalf of one or more PCA Principals, (i) the PCA Agent must list the names of each such PCA Principal in column 1 of the PCA Principal Answer Sheet, and (ii) this Questionnaire will only be effective to enter into DF Terms Agreements on behalf of listed PCA Principals and/or supplement Protocol Covered Agreements executed by the PCA Agent on behalf of the listed PCA Principals. For the avoidance of doubt, if this Questionnaire is being completed by a PCA Agent on behalf of multiple PCA Principals, this Questionnaire shall be treated as if it were a separate Questionnaire with respect to each separate PCA Principal listed in column 1 of the PCA Principal Answer Sheet.

In addition, if one or more Designated Evaluation Agents, Designated QIRs or Designated Fiduciaries is identified in this Questionnaire, each such Designated Evaluation Agent,

---

3 See supra note 2.
Designated QIR or Designated Fiduciary, as the case may be, must countersign this Questionnaire where indicated.

The responses to Part II (except as otherwise indicated below) and Part III, Sections 2(b)(xxii) and 10(b) of this Questionnaire may be set forth directly on this Questionnaire, or if there is insufficient space, on a separate schedule. The responses to the other sections of Part II and Part III of this Questionnaire must be set forth on the PCA Principal Answer Sheet.

\(^{16}\) CFTC Regulation 23.201(b)(3)(ii).

\(^{17}\) The CFTC external business conduct rules require swap dealers to deliver certain notifications and informational disclosures to their counterparties (other than swap dealers and major swap participants). These notifications and informational disclosures may be voluminous. This question provides counterparties with the opportunity to provide an email address to be used by a swap dealer for the delivery of such notifications and informational disclosures. If not provided, the address to which hard copies of such notifications and disclosures are sent may not be readily available and/or appropriate for that type of communication. Each counterparty must determine for itself whether it wishes to provide an email address.

\(^{18}\) The CFTC external business conduct rules require swap dealers to provide certain pre-trade “mid-market” marks and disclosures about the basic material terms of a swap before entering into that swap with certain counterparties. Generally, such disclosures are expected to be in writing. However, in certain fast-moving markets, a requirement to provide such disclosures in writing could interfere with the ability to execute trades on a timely basis. For this reason, this question provides the counterparty with the opportunity to indicate that it
Does PCA Principal agree to receive oral disclosure (with written confirmation to follow post-trade) of any (i) pre-trade mid-market marks pursuant to CFTC Regulation 23.431(a)(3)(i) and (ii) basic material economic terms, including price, notional amount and termination date, pursuant to CFTC Regulation 23.431(a)(2)?

Part III: PCA Principal Status Representations and Elections

Part III of this Questionnaire consists of questions that must be answered by, or on behalf of, each PCA Principal except as otherwise indicated. Answers to the questions should be provided in the PCA Principal Answer Sheet except as otherwise indicated.

1. Commodity Pool

The purpose of this question is to permit a PCA Principal who is able to specify whether it is a “commodity pool” (as further defined below) to inform its counterparty of such status. The answer to this question will assist in identifying PCA Principals who may need to make additional representations regarding their status as an “eligible contract participant” when additional CFTC regulations regarding this status go into effect on December 31, 2012.

If PCA Principal does not wish to make any representation at this time as to whether it is a “commodity pool” it may insert “No Answer.” If a PCA Principal inserts “No Answer,” a Swap Dealer receiving this Questionnaire may be required to inquire further and obtain additional representations prior to December 31, 2012.

To answer this question, complete column 7 of the relevant row of the PCA Principal Answer Sheet by inserting a “Yes,” “No,” or “No Answer,” as appropriate:

19 Is PCA Principal a “commodity pool,” as that term is defined in Section 1(a)(10) of the Commodity Exchange Act and applicable regulations thereunder (a “Commodity Pool”)?

2. Eligible Contract Participant

(a) To answer this question, complete column 8 of the relevant row of the PCA Principal Answer Sheet by inserting a “Yes” or a “No,” as appropriate:

19 A PCA Principal who answers this question by selecting “Yes” or “No Answer” may (a) no longer qualify as an “eligible contract participant” under sections (ix) or (x) below and (b) need to make additional representations regarding its status as an “eligible contract participant” pursuant to CFTC Regulation 1.3(m)(6). Additional conditions regarding its status as an eligible contract participant may apply if PCA Principal enters into “Specified FX Transactions.” “Specified FX Transactions” are transactions described in section 2(c)(2)(B)(i)(I) or 2(c)(2)(C)(i)(I)(bb) (other than transactions described in section 2(c)(2)(C)(i)(II)) of the Commodity Exchange Act. For a further discussion regarding Specified FX Transactions, see Sections 3 and 4 of the Amended and Restated Addendum I.

20 CFTC Regulation 23.430(a). Prior to answering this question, please review Section 4 of the Amended and Restated Addendum I with respect to Specified FX Transactions.
Other than for purposes of any agreement, contract or transaction described in Sections 2(c)(2)(B)(vi) or 2(c)(2)(C)(vii) of the Commodity Exchange Act, is PCA Principal an “eligible contract participant,” as that term is defined in Section 1a(18) of the Commodity Exchange Act and applicable regulations thereunder (an “Eligible Contract Participant”)?

(b) To respond to this instruction, complete column 9 of the relevant row of the PCA Principal Answer Sheet by inserting at least one of the subsection numbers below in column 9:

If PCA Principal has identified itself as an Eligible Contract Participant, please indicate at least one of the following subsections that is applicable to PCA Principal (respondents may, but are not required to, indicate more than one subsection if applicable):22

5. **Financial Entity**

This Part III, Section 5 must be completed by, or on behalf of, any PCA Principal that is not a Regulated Swap Entity. The purpose of this question is to permit a PCA Principal who is able to specify whether or not it is a “financial entity,” as such term is defined by statute, to inform its counterparty of such status.

If PCA Principal does not wish to make any representation at this time as to whether it is a “financial entity,” it may insert “No Answer.” If PCA Principal responds with “No Answer,” a Swap Dealer receiving this Questionnaire may be required to (i) inquire further prior to entering into Swaps with PCA Principal in order to satisfy trade reporting requirements and/or (ii) assume, for the purposes of relevant statutory and regulatory exclusions and safe harbors, that PCA Principal may be a “financial entity,” until PCA Principal provides sufficient evidence demonstrating that it is not a “financial entity.”

To answer this question, complete column 18 of the relevant row of the PCA Principal Answer Sheet by inserting a “Yes,” “No” or “No Answer,” as

48 Commodity Exchange Act § 2(h)(7)(C). The term “financial entity” is used for various purposes throughout the CEA and CFTC Regulations, including, among others, for purposes of determining who must enter into “swap trading relationship documentation” satisfying various requirements and the deadlines for execution of confirmations under CFTC Regulation 23.501. Financial entity status must also be reported as part of Swap transaction reporting under Part 45 of the CFTC Regulations. At the time of publication of this Questionnaire, compliance with such regulations was not required, so respondents were permitted to give “No Answer.” However, to facilitate compliance with such regulations, the ISDA March 2013 DF Protocol Questionnaire requires respondents to answer “Yes” or “No” to the following question: “To the best of its knowledge, is PCA Principal a Financial Entity?” In light of the compliance dates that became effective after the date of this August Questionnaire, a response of “No Answer” in this August Questionnaire is no longer sufficient to facilitate full compliance with the CFTC Regulations.

\textsuperscript{56} *Note to all non-SDs:* The CFTC external business conduct rules impose upon swap dealers a duty to reasonably determine the suitability of any swap “recommended” to a counterparty. The rules also impose heightened suitability or “best interest” duties when a swap dealer recommends a tailored swap to a “special entity.” In order to comply with such rules, a swap dealer will likely be required to perform comprehensive due diligence on its counterparties prior to trading unless the applicable safe harbors to such rules are satisfied. The elections in this Part III, Questions 7-9 are where adherents may elect to enter into the safe harbor provisions (found in DF Schedules 3-6) that are applicable to them. For further detail on the relevant safe harbor provisions, see DF Schedules 3-6 and the annotations thereto.

   Does PCA Principal agree to enter into a DF Terms Agreement with each counterparty to whom this Questionnaire has been delivered? 64

   (b)  If PCA Principal has agreed to enter into a DF Terms Agreement with each counterparty to whom this Questionnaire has been delivered, the notice information of such PCA Principal for the purposes of each such DF Terms Agreement is as follows:

63  A swap dealer and counterparty can satisfy the applicable safe harbor by electing to incorporate the applicable DF Schedule. The general safe harbor for institutional suitability (DF Schedule 3) is available to all counterparties that are not swap dealers or major swap participants, other than special entities. See DF Schedule 3 and the annotations thereto.

64  By answering “Yes” to this question, a Protocol Participant is electing to enter into a DF Terms Agreement with a swap dealer who has also elected to enter into a DF Terms Agreement. A DF Terms Agreement between the parties is considered to be a Protocol Covered Agreement that incorporates the provisions of the DF Supplement.

Even if a party has incorporated the provisions of the DF Supplement into its existing written agreements *(i.e., by adhering to the Protocol and matching Questionnaires)*, it should consider entering into the DF Terms Agreement so that the provisions of the DF Supplement that it has elected to incorporate into such existing written agreements would also be applicable in the following circumstances, among others:

- **(a)** the parties may execute swaps that are not governed by an existing ISDA Master Agreement, an execution agreement *(such as the FIA Swaps Execution Agreement)* or other written agreement between the parties, including swaps that are executed by a party to be cleared or swaps that are executed to be “given up” to a third-party derivatives dealer or “prime broker,” or

- **(b)** the parties may not have yet entered into an ISDA Master Agreement or other written agreement, but would like to begin offering or entering into swaps, including swaps to be documented on “long-form confirmations.”

For further detail on what is covered by the DF Terms Agreement, see the annotated version of that agreement.
